Graphics for use in promoting key dates in admissions process

As part of our work to promote the forthcoming admissions process, we have developed graphics which you may wish to use during your communication with parents, including at Open Night/Day events.
The graphics can be shared on your social media and web channels, or included in any other communications you may use within your pre-school/school community.
We hope you find them useful in communicating the key dates in the admissions process with parents.
A social media toolkit is currently being developed and will be shared with you in December 2024.
